Gentlemen:

The Medallic Art Company has in previous years offered to present to our Museum, specimens of the medals issued during the past year, provided we can secure the consent of the artists who designed them or from the issuing body.

We should very much like to have the specimen of your medal for our Museum, where we make a special point of exhibiting the work of American artists.

If you can see your way clear to presenting one of these to include in our exhibition, we should very much appreciate it.

Very truly yours,

Secretary
